February 5, 2008

Each year the Central Iowa Fair Association's goal is to improve a portion of the Marshall County Fairgrounds and Racetrack.

The Central Iowa Fair is a 501(c)(3) non-profit organization where the majority of our funds come from building and grounds rental, contributions, volunteers, grants and fundraisers.

This year we are concentrating on two areas:

1. Fairgrounds Show Pavilion to be renovated. (This building is used for several agricultural youth events)
2. Racetrack Bleachers (Marshall County Board of Supervisors has pledged \$20,000 towards this project contingent on the fair board raising an additional \$40,000.)

We are in the process of completing several grants and in addition are asking if you would like to become part of our history.

Enclosed you will find a flyer that discusses our "Brick Fundraiser". This fundraiser will not only help us, but will display your company name and/or personal name for years to come. These bricks will be on display in a high profile common area for everyone to view.

We would like to place our first order on March 28, 2008 so we can get them installed before this years 103rd Fair (Theme: Thru the Gate in 2008!) and the start of the racing season.

We appreciate your consideration and thank you for your time and support.

Sincerely,

Central Iowa Fair Board
